Leading Integrated Payment Solutions Provider Acknowledged as a Best-in-Class Partner

ATLANTA--(BUSINESS WIRE)--May 21, 2024-- [Repay Holdings Corporation](#) (NASDAQ: RPAY) ("REPAY"), a leading provider of vertically-integrated payment solutions, today announced it has been awarded Partner of the Year and inducted into the WEX Circle of Excellence at the [WEX 2023 Community Awards](#). Chosen from an impressive pool of WEX technology partners, REPAY has been recognized as a best-in-class fintech partner in the corporate, embedded, and API-facilitated business-to-business (B2B) payments category. This is a result of REPAY's innovative approach to the payment experience and ongoing collaboration with WEX to provide next-generation payment technology that accommodates the modern demands and rapidly changing landscape of B2B vendor payments.

REPAY partners with WEX to provide virtual card issuance and processing support for REPAY's automated vendor payment platform, providing simplicity and efficiency to AP processes. One of the main threats to the payment industry today is payment fraud, and REPAY prides itself on making enterprise clients feel secure in their integrated payment solution. With WEX as their primary issuer of virtual card services, REPAY clients benefit from the added security provided by virtual cards, including one-time use and customizable amount and approval limits.

"We are honored by the distinction of WEX's Partner of the Year Award for Corporate Payments and our induction to their Circle of Excellence. This reaffirms our dedication to top-notch payment solutions and showcases the strength of our partnership with WEX," said Darin Horrocks, EVP, Business Payments, REPAY. "Together with WEX, we are committed to delivering secure, integrated vendor payment solutions that mitigate fraud threats and drive growth for our clients."

"WEX is proud to collaborate with REPAY, as we share the same commitment to simplifying business management operations with secure, cutting-edge technology," said Robert Deshaies, WEX's Chief Operating Officer, Americas.
