Great Place to Work® and FORTUNE Name REPAY One of 2017's Best Small & Medium Workplaces

October 17, 2017

ATLANTA, Oct. 17, 2017 /PRNewswire/ -- At REPAY – Realtime Electronic Payments, our growth and success wouldn't be possible without the dedication of our employees. We're proud of our team, and we're excited to announce our organization has been named one of the 2017 Best Small & Medium Workplaces by Great Place to Work and FORTUNE.

REPAY earned a spot on this list based on employees' assessments of the camaraderie, leadership, fairness, rewards and career opportunities enjoyed by all in their workplace.

"We are thrilled to be named one of the best small workplaces and are extremely grateful for each member of our team," says John Morris, CEO of REPAY. "Our people are the best part of REPAY, and they are empowered to make decisions that will have meaningful impact on the company. The foundation of trust and teamwork allows us to build a reputation of excellence in all that we do. Our respectful, yet fun-loving approach leads to a collaborative, high-performance environment where employees can challenge the status quo and introduce innovative ideas while feeling supported in a friendly and enjoyable office atmosphere."

Outstanding employers – as identified by their employees – are substantially more likely to report work experiences linked to retention, innovation and good customer service, according to research by Great Place to Work. The winning organizations also are more likely than their peers to maintain a healthy organizational culture as they grow larger and more complex.

"The Best Small & Medium workplaces are laying the groundwork for future success by building trust, cooperation and leadership credibility. All of these enhance business performance and create a positive environment for doing business," said Michael Bush, CEO of Great Place to Work.
